Portrait Johann Reisinger.

Johann Reisinger, highly decorated (2 toques) celebrity chef, is now considered to be the mastermind of “New Natural Cuisine” in Austria. Using plain, organic, traditional ingredients, he creates unique modern experiences of taste – thus a new insight into pure, natural delight/delicacy. Johann Reisinger also works as an author and lecturer, and his seminars on cooking and taste education are counted among the best of their kind. Numerous restaurants, companies and institutions have consulted him on the subject of plain, natural delight.
